INSIDE THE AUSTRALIAN AND NEW ZEALAND BOOK INDUSTRY

REVIEW SUBMISSIONS DEADLINES | 2026

Books+Publishing will send submission reminder emails, but if you have manuscripts ready to submit, please feel free to send them through no matter how far in advance of the current month being commissioned.

Review submissions must be of Australian or New Zealand origin (i.e., either written by an Australian or NZ author or first published in Australia or NZ). **All manuscripts must be submitted with an accompanying AI sheet.** Please include a cover jpeg available at the time of submission if available.

We have transitioned to digital-only reviewing and request that you send PDFs or ePUB files of manuscripts to reviews@booksandpublishing.com.au.

If you experience issues making these deadlines or have any other enquiries, please email reviews@booksandpublishing.com.au.
